

MONZA Special Gear Oil TO-4 SAE 10W

Special – Gear Oil

Properties

Special gear oil for highest demands of modern gear of construction machinery and tractors.

Application notes

MONZA Special Gear Oil TO-4 SAE 10W is suitable for use in Caterpillar aggregates, in which high shear forces, friction and pressure values occur, as well as for use in:

- Caterpillar powershift transmissions
- side drives and final drives
- Power transmission elements and for wet brakes and clutches

Manufacturer's instructions take priority!

Service description

Recommendations*:

- Allison C-4
- Caterpillar TO-4
- Komatsu
- ZF 03C
